

I am an avid listener to K-LOVE on my FM 88.7. It is important to keep serving the spiritual needs of me & family serviced by this station. A LPFM broadcast would not serve me or this community if it interferes. K-LOVE is a positive non-partisan voice for all Americans. It keeps us on a moral course, reminding us all of the ultimate law giver...God. Please leave the FM stations, including K-LOVE in place. Thank you, Cary Smith
